The Partial Current Account Switch Service

The Partial Current Account Switch Service is a service which will enable you to transfer your payments from your current account with your Old Bank (including your Standing Order and Direct Debit payments) to your new current account with NatWest. Additionally, you will have the option to transfer the balance from the Old Account and/or close the Old Account.

A full description of the Partial Current Account Switch is provided on page 3 of this brochure.

This switch is not backed by the Current Account Switch Guarantee and does not include Forwarding and Redirection. There is a 90 day window in which the switch can be completed. If, for any reason, the switch cannot be completed in the 90 working days (commencing from receipt of switcher paperwork), it will be cancelled and it must begin again.

What we do for you

- Step 1: Please select a transfer date from which your regular payments will be moved to NatWest from your old bank account.
- Step 2: When we have received your signed Partial Switch Instruction form, we'll contact your previous bank/building society for a list of all your Direct Debits, Standing Orders and bill payments.
- Step 3: We will receive the list of regular payments, and if instructed, via the Partial Switch form we'll send a copy of this list to you. Alternatively, if instructed, we will switch all your regular payments to NatWest and instruct your Old Bank to cancel all payments made by them. Please note that if we receive details of bill payment arrangements from your Old Bank, we will contact you to let you know how to set up a new bill payment arrangement with us.
- Step 4: (optional) Please review your list of regular payments and let us know which of these you wish to keep, and we will cancel the rest.
- Step 5: We'll inform the companies taking Direct Debits from your account of your new account details and it is their responsibility to update their records. We will set up the Standing Orders on your NatWest current account and will advise you how to set up any bill payments.
- Step 6: If instructed we will close your old current account and transfer any credit balance to your new NatWest Current Account. If there is an overdraft outstanding we will confirm the balance and if instructed by you, we will transfer the money from your new NatWest account to repay the outstanding balance at the old bank – providing you have sufficient funds in your NatWest Current Account.
- Step 7: We'll write to let you know when your transfer is complete.
 - You'll need to arrange for any payments going into your old account such as your salary or pension to be transferred.
 - Any payments debited from or credited to your old account will not be redirected. Therefore, you'll need to ensure the payments you want on your new account are set up with us.

The Full Current Account Switch Service

The Full Current Account Switch Service is a switch service which will enable you to transfer your payments from your current account with your Old Bank (including your Standing Order and Direct Debit payments) to your new current account with NatWest in 7 working days. All payments will be forwarded and redirected. We will also close your Old Account and transfer your balance, settling any outstanding balance if instructed by you and if there is a credit balance in your new current account with NatWest. A description of the Full Current Account Switch Service is provided on page 3 of this brochure. The Full Current Account Switch Service is covered by the Current Account Switch Guarantee and the following pages relate to the Full Current Account Switch Service.

If you have given permissions to Third Party Providers to make payments on your behalf, or to access your financial data, access to these services won't be transferred automatically to your new account as part of the Current Account Switch Service.

1. Before you close your old account, check whether you have any Third Party Provider permissions set up and if so, who with.
2. Once your new account is open you can give your permission to the Third Party Provider to access your new account by providing them with your new account details. You will need to contact the Third Party Provider directly yourself to set this up.
3. If you are unsure as to whether your New Bank will support the Third Party Provider permissions on your account, you will need to discuss this ahead of your switch with your New Provider who will be able to advise you of this.

Please check your new provider's terms and conditions for more information about Third Party Providers.

Service conditions

1 The Current Account Switch Service

- 1.1 The Current Account Switch Service Guarantee is issued by us after you have consented to this Agreement and Account Closure Instruction. This means that if you have any questions regarding your switch these should be directed to us, unless otherwise advised.
- 1.2 There is no charge for the Current Account Switch Service, although there may be other taxes or costs that are not charged by us or paid via us.
- 1.3 You can change the Switch Date at any time up until the close of business 7 working days before the Switch Date that you have previously agreed with us.
- 1.4 The switch process begins 6 working days before the Switch Date. We will tell you that the switch is underway and when it is completed, and also if there is any reason why your switch request cannot be initiated or completed.
- 1.5 We will ensure that your existing regular payment mandates directly linked to your old account (e.g. Standing Orders, Direct Debits and bill payment mandates) are set up on your New Account and details of your existing payment beneficiaries are transferred to your New Account. In cases where we cannot match the payment frequency of your existing regular payment mandates, we will contact you to agree alternative arrangements. Note: If you have arranged to make recurring payments using your Old Account debit card number, your Old Bank won't know your New Account debit card number so won't be able to transfer these to your New Account. This means that there is no guarantee that payment requests sent to your Old Account will be redirected to your New Account. The supplier may contact you to request the details of your New Account debit card. We recommend that you contact the supplier to set up a new recurring payment to ensure any service you receive (e.g. insurance) is not interrupted.
- 1.6 We will also transfer any future dated payments (e.g. with a due date after your Switch Date) that you set up on your Old Account to your New Account to ensure these are made on the date originally requested.
- 1.7 The regular payment mandates that we will set up on your New Account as part of the switch will be in operation from the day after the Switch Date.
- 1.8 If you have any existing regular payment mandates that are in a foreign currency, or that quote a BIC or IBAN, these won't be switched to your New Account automatically. If we can facilitate foreign currency mandates, non-sterling mandates, or ones that quote a BIC or IBAN, you will have to provide us with the relevant details separately so that we can set up them up on your New Account.
- 1.9 If you make any changes to your regular payment mandates on your Old Account or set up any new payment beneficiaries on your Old Account on or after the 6th working day before the Switch Date you must tell us, otherwise these changes will not be implemented on your New Account.
- 1.10 Your Old Bank will forward any funds remaining in your Old Account to your New Account on the Switch Date. There may be a short period when the balance is being transferred when it will not be possible to access the funds being transferred.

- 1.11 Funds will be retained by your Old Bank to cover any transactions made before the Switch Date on your Old Account which are still in the process of being cleared on the Switch Date. On the day that your Old Bank no longer needs to retain funds to cover transactions that are being cleared, it will transfer them to your New Account and they will be credited to your New Account no later than the next working day. Funds will also be retained by your Old Bank to cover debit card transactions that have already been authorised but which have not yet been paid out of your Old Account.
- 1.12 If you have outstanding debt on your Old Account (including any fees or charges) after the Switch Date, your Old Bank will tell you. You are liable for any outstanding debt on your Old Account remaining after the Switch Date.
- 1.13 For 3 years after the Switch Date if your Old Bank receives payments or requests for payments which relate to your Old Account, subject to compliance with applicable laws, it will redirect these to your New Account. However, if there is an outstanding debt on your Old Account, your Old Bank is entitled to use any funds or payments it receives (including by cheque) in full or part settlement of the debt on your Old Account. The originators of any redirected payments or payment requests will be advised of your New Account details.
- 1.14 In the unlikely event that payments continue to be redirected to your New Account during the 13 months leading up to the end of the 3 year redirection period we will automatically extend the redirection service and the term of this Agreement until such time as there is a 13 month period when no Direct Debits, Bacs Direct Credits or Faster Payment transactions have been automatically redirected by the central redirection service. Consequently payments made with intervals of more than 13 months will be disregarded.
- 1.15 For 3 years after the Switch Date, or longer in accordance with clause 1.14 of the Agreement, payments received in pounds from within the UK by your Old Bank will be redirected and credited to your New Account on the same working day that they were received by your Old Bank.
- 1.16 For 3 years after the Switch Date, or longer in accordance with clause 1.14 of the Agreement, payments received by your Old Bank in any currency other than pounds will be redirected in the same currency as your Old Bank receives them on the day that the funds are made available to your Old Bank. In certain circumstances it may be necessary for your Old Bank to redirect the payment to us in pounds. If this happens the Old Bank will provide us with full details of the exchange rate used and we will tell you.
- 1.17 Both we and your Old Bank have cut-off times (which may vary depending on the currency of the payment received) after which any payments received are treated as being received on the following working day. For details of your Old Bank's cut-off times you should contact your Old Bank and for details of our cut-off times you should contact us (please refer to section 4 for details of how to do this).
- 1.18 You can stop any payment(s) being redirected by your Old Bank to your New Account by contacting us (please refer to section 4 for details of how to do this). You need to do this by close of business on the working day before you expect the payment to be received by your Old Bank. **However, please be aware that if you stop your Old Bank redirecting a payment to us, this will mean that your Old Bank will stop redirecting any and all future payments and requests for payments to us from that date. Instead, any payments made to, or requests for payments from, your Old Account will be returned to the payment originator with the reason "accountclosed".**

- 1.19 If you have used your Old Account debit card before the Switch Date to make payments which have not been authorised and paid by your Old Bank out of your Old Account before the Switch Date, we will pay them out of your New Account (subject to the availability of funds).
- 1.20 If any cheques drawn by you on your Old Account have not been presented to your Old Bank for payment before the Switch Date, we will pay them out of your New Account (subject to the availability of funds). This is dependent on whether or not we are a cheque issuing bank and we have advised you in advance that we will not pay cheques drawn on another bank.
- 1.21 If you have asked your Old Bank to stop a cheque drawn on your Old Account and you change your mind, we may not be able to cancel that stop instruction. If you wish to place a stop on a cheque drawn on your Old Account after the Switch Date you must contact us (please refer to section 4 for details of how to do this) to make this request.
- 1.22 You must not use your Old Account chequebook and debit card details after the Switch Date and you should destroy your Old Account chequebook and debit card promptly after the Switch Date.
- 1.23 The Current Account Switch Service does not include payment arrangements that are held by third party providers. If you think you may have any payment arrangements like this please contact us for advice.
- 1.24 In the event that your Old Bank withdraws from the service and your old sort code is no longer able to receive payments because it is withdrawn from the UK payment systems the redirection service will no longer be available with effect from the date your old sort code removed from the UK paymentsystem.

2 Errors and Complaints

- 2.1 You will see details of any funds transferred and any forwarded or redirected payments in the next statement that you receive for your New Account. You should check your statement carefully and let us know as soon as possible if you think there has been an error or if funds haven't been transferred or a payment hasn't been forwarded or redirected as expected.
- 2.2 If something goes wrong with the Current Account Switch Service (for example if a payment is not redirected, is redirected incorrectly, or is lost), we will correct the error, you will receive a refund of any interest and/or charges incurred, paid or lost on your Old Account or your New Account as a result of the failure and we will notify you of any action we have taken and the outcome.
- 2.3 If you have a complaint about the Current Account Switch Service it should be raised with us in the first instance (please refer section 4 for details of how to do this) and we will deal with it as quickly as possible under our internal complaints procedure, copies of which are available on request. We will tell you if we pass your enquiry on to your Old Bank and advise you how we intend to deal with your complaint from that point.
- 2.4 If we do not resolve your complaint to your satisfaction, you may be able to refer it to the Financial Ombudsman Service, which is the independent service for settling disputes between consumers and businesses providing financial services. Their contact details are:

Address: Exchange Tower, London E14 9SR

Telephone: +44 (0)800 023 4567

E-mail: complaint.info@financial-ombudsman.org.uk

3. This Agreement

- 3.1 We will give you at least 2 months' notice of changes to the redirection services provided under this Agreement. If you are not happy with the changes, you should tell us and you will be able to end the Agreement immediately and without charge before the changes take effect. If we do not hear from you, we will treat you as having accepted the changes. We may make changes:
- to respond proportionately to changes in general law or decisions of the Financial Ombudsman Service;
 - to meet regulatory requirements;
 - to reflect new industry guidance and codes of practice which improve consumer protection;
 - to reflect the introduction of or changes to technologies or other innovations or changes to payment systems or schemes; and
 - to help us introduce new or improved systems, methods of operation and new features or services that may benefit you.
- 3.2 If you ask us, we'll provide you with a further copy of this Agreement. [Participants should note that the copy provided must be same version originally signed by the customer]
- 3.3 You can end this Agreement at any time by contacting us. If you end this Agreement all payment redirection activities will stop (see paragraph 1.18 for what will happen if payment redirection activities stop).
- 3.4 We will stop the switch and/or suspend redirection activities if we have reasonable grounds to suspect fraud perpetrated by a third party or we consider it appropriate for your protection or to comply with our statutory duties. Unless we are unable to contact you or there is a legal reason or other circumstances beyond our control preventing us from doing so, we will tell you before taking this action and provide our reasons for doing so. If we are unable to contact you beforehand, where possible we will do so as soon as we can afterwards. You are responsible for all losses incurred by you if you have acted fraudulently.
- 3.5 We may, at any time, transfer to any person or business any or all of our rights and duties under this Agreement. We will only do this if you are no less favourably treated after the transfer than beforehand.
- 3.6 If your address is in Scotland or Northern Ireland, the Laws of Scotland or Northern Ireland apply to this Agreement and the courts of Scotland or Northern Ireland may settle any related dispute. If you live elsewhere, the laws of England apply to this Agreement and the courts of England and Wales have non-exclusive jurisdiction to settle any related dispute. This clause reflects the governing law applicable in the participants' agreement with Bacs, however it is open to participants to use other governing law subject to local advice.

5. Your Right to cancel this Agreement

You have a 14 calendar day period in which you can contact us to cancel this Agreement. The 14 day period begins the day after you authorise us to switch your account, unless you have agreed to the switch before receiving this Agreement for signature (e.g. online or over the phone), in which case the 14 day period begins the day after you receive this Agreement. If you cancel this Agreement, any account switch processes already completed cannot be reversed or unwound.

The following points describe what will happen if you exercise this right to cancel the Agreement at key times during the switch.

5.1 At least 7 working days before the Switch Date:

- You can continue to use your Old Bank account because it will not be closed.
- Details of the payment beneficiaries and regular payment mandates on your Old Account will not be transferred to your New Account.
- No balance transfer will take place.
- No payment redirection activities will be undertaken.

5.2 During the 6 working days before the Switch Date:

- Your Old Account will be closed from the Switch Date because your Account Closure Instruction cannot be cancelled.
- Details of the payment beneficiaries and regular payment mandates on your Old Account will still be transferred to your New Account and you will need to contact us (please refer to section 4.1 for details about how to do this) if you wish to cancel any of them. Please note that if you decide to cancel any payment arrangements with us it does not mean they will remain available to you at your Old Bank.
- The transfer of your Old Account balance to your New Account will be stopped provided we have enough time to notify your Old Bank that you have cancelled the Agreement before your Old Bank closes for business on the working day before the Switch. Your Old Bank will contact you to find out where you would like your money (e.g. the credit balance in your Old Account) to be sent.
- No payment redirection activities will be undertaken after the Switch Date.

5.3 On the Switch Date, or later (and within the 14 day cancellation period):

- Your Old Account will be closed from the Switch Date because your Account Closure Instruction cannot be cancelled.
- Details of the payment beneficiaries and regular payment mandates on your Old Account will still be transferred to your New Account and you will need to contact us (please refer to section 4 for details about how to do this) if you wish to cancel any of them.

- The balance transfer from your Old Account to your New Account will have been completed.
- No payment redirection activities will be undertaken after the day that you cancel this Agreement.

If you change your mind after the switch has started, you might want to consider waiting until after the Switch Date. You can then request another bank, building society or payment account provider to switch your account from us. Please note that you may not be able to switch back to your Old Bank or to the type of current account you held with your Old Bank.

Current Account Switch Data – Privacy Notice

YOUR INFORMATION; HOW WE USE IT.

In order to fulfil your Current Account Switch in accordance with the terms of the Current Account Switch Agreement, we collect, process, share and keep your information. This privacy notice sets out everything you need to know about what happens to your information when you choose to use the Current Account Switch Service.

Capitalised words are defined either in this privacy notice or in the Current Account Switch Agreement.

1. STARTING THE SWITCH

1.1 Information we process

When you set up your new current account with us, we collect and process your name, address, contact details, and give you a new account number and sort code. If your new account is a joint account, we also collect and process the joint account holder's name, address and contact details. Together, this is your New Bank Information.

2. DURING THE SWITCH

2.1 Use of your information

When we receive your signed Current Account Switch Agreement, we send your New Bank Information, to your Old Bank to make sure that the correct account with your Old Bank will be closed and all regular payment arrangements are switched to your new current account with us. We will also send your Current Account Switch Agreement and Account Closure Instruction to your Old Bank if they request it.

When your Old Bank receives your New Bank Information from us, they send us your old bank account information so we can set up your regular payment arrangements on your new current account. Regular payment arrangements means Standing Orders, Direct Debits and future dated payments, unpresented cheques pre-dating the switch, as well as details of the payment arrangements that you set up using your Old Bank online banking system (including mobile banking apps) more than 6 working days before your switch date.

We collect, process, share and retain your information because you have signed the Current Account Switch Agreement and requested a switch. If for any reason you object to us processing your information we cannot fulfil your switch request.

We also use your information to deal with any queries you may have during or after the switch process and any queries relating to your regular payment arrangements. This is to ensure that you are happy with the switch service and your regular payment arrangements continue to operate successfully.

2.2 Sharing your Information

In addition to sharing your New Bank Information with your Old Bank, we also share your New Bank Information with payment system operators and the provider of the payment system software. We do this so that any regular payments initiated using automated, online and telephone banking means or single payments made by cheque whether made by you, or received by you, will continue to be made from or received into your new current account. It also helps us resolve any queries you may have. This ensures that your switch makes no difference to the people and organisations you are paying or receiving payments from.

We will also share your New Bank Information with organisations that you have payment arrangements with in circumstances where we are dealing with regular payment arrangement complaints.

3. AFTER YOUR SWITCH

3.1 Keeping your information

Your New Bank Information is used by us for a number of purposes. The Current Account Switch Service is only one of those purposes. Your information that relates solely to the Current Account Switch Service will be kept by us so that we can complete the switch and address any future queries or disputes relating to your switch. These include queries or disputes relating to any of your payment arrangements.

We understand our legal obligations relating to your information which include minimum retention periods for accounting and legal documents. Where it is possible to minimise or reduce the amount of your information that is stored, we make sure this takes place.

4.3 Multiple accounts only

Your Old Bank sends us details of your regular payment arrangements. These can include details of regular payment arrangements relating to all accounts you have with your Old Bank, not just the account you have chosen to switch. We recommend you check with your Old Bank to understand if this applies your Old Bank account before you decide to use the switch service.

Current Account Switch Service – account closure instruction

To: National Westminster Bank Plc

Current Account Switch Service – Account Closure Instruction

In this Agreement:

- Your “New Account” is the account held with us that you are switching to.
- Your “Old Account” is the account that you are switching from at your Old Bank.
- Your “Old Bank” is the bank, building society or other payment account provider displaying the Current Account Switch Service (CASS) Trustmark that you are switching from.
- The “Switch Date” is the date that we will arrange for any credit balance to be transferred from your Old Account to your New Account. We will complete the switch of information about your payment beneficiaries and your regular payment mandates from your Old Bank to your New Account on the same day. The Switch Date must be a working day and not a bank holiday that is observed by either your Old Bank or us.
- For CASS a ‘Current Account’ means a sterling (GBP) account in the name of one or more persons and used to make or receive payments.

Please instruct my Old Bank that I wish to close my Old Account because I am switching my current account to my New Account with you.

By consenting I/we (if more than one of us is required to authorise this account closure instruction) understand as follows.

1. My Switch Date is the date my switch completes and I will agree my Switch Date with my New Bank.
2. I confirm that I have satisfied myself that my New Account meets my needs and delivers the services I require even although the protections, features and benefits may not be the same as my Old Account.
3. Unless I have outstanding debt on my Old Account, closure of my Old Account will be effective from my Switch Date. **I understand that, whether or not I have an outstanding debt on my Old Account, my Old Account will not be available for use from my Switch Date**, even if I:
 - decide to close my New Account; or,
 - change my mind about the switch.
4. By closing my Old Account I am withdrawing my authority for any regular payment mandates on my Old Account (as I am transferring this authority to my New Account).
5. If I make any changes to the regular payment mandates on my Old Account or set up any new payment beneficiaries on my Old Account on or after the 6th working day before my Switch Date I must tell my New Bank, otherwise those changes or new regular payments will not be implemented on my New Account.
6. As at my Switch Date, any benefits or services associated with, or dependent upon, my Old Account (e.g. travel insurance or preferential rates) will terminate.
7. My Old Bank will retain enough funds to cover:
 - transactions made on my Old Account before my Switch Date which are still in the process of being cleared on my Switch Date, until those transactions have cleared; and debit card transactions that have already been authorised but which have not yet been paid out of my Old Account.
8. I must not write any cheques on my Old Account or use the debit card for my Old Account after my Switch Date, and I will promptly destroy my old cheque book(s) and debit card(s) for my Old Account after my Switch Date.
9. Any cheque that I pay into my Old Account before my Switch Date will be cleared through my Old Account and the cheque value will be transferred to my New Account when it has cleared.
10. After my Switch Date:
 - I should contact my New Bank if I want to stop a cheque drawn on my Old Account; and
 - I may not be able to remove any existing cancellation instruction on a cheque drawn on my Old Account.

11. If I have outstanding debt on my Old Account (including any fees or charges) after my Switch Date, my Old Bank will tell me. In such circumstances:
 - my Old Bank will block my Old Account and I will not be able to carry out any further transactions on it, with the exception of repaying the outstanding debt; and
 - the terms and conditions of my Old Account will continue to apply until I have repaid the outstanding debt in full, at which time my Old Account will be closed.
12. If there is an outstanding debt on my Old Account after my Switch Date, my Old Bank will be entitled to use any funds or payments it receives (including by cheque) in full, or part, settlement of the debt on my Old Account.
13. For 3 years after my Switch Date, or longer in accordance with clause 14 below, if my Old Bank receives payments or requests for payments it will redirect these to my New Bank (e.g. all incoming credits and Direct Debit requests). However, my Old Bank will still have to comply with applicable laws (for example relating to fraud, money laundering etc.), so in certain circumstances it may not be permitted to do so.
14. In the unlikely event that payments continue to be redirected to my New Account during the 13 months leading up to the end of the 3 year redirection period, the redirection service and the term of this Agreement will automatically be extended until such time as there is a 13 month period when no Direct Debits, Bacs Direct Credits or Faster Payment transactions have been automatically redirected by the central redirection service. Consequently, payments made with intervals of more than 13 months will be disregarded.

Customer Consent as captured by New Bank, capable of being evidenced by New Bank For illustrative purposes: In-branch – Signature of old account holder or signatures of both joint account holders Online – Tick and submit for old account holder. Old bank to verify consent with any joint account holders depending on mandates.

Full Switch – frequently asked questions

1. What is the Current Account Switch Service?

It's a free service that lets you switch your current account from one participating bank or building society to another. It has been designed to be simple, reliable and stress-free and is backed by the Current Account Switch Guarantee.

2. Can I switch my account on a date that suits me?

Yes, you can choose and agree a date with your new bank or building society and the process will start six working days before that date. (Working days are Monday – Friday excluding bank and public holidays.)

3. What happens to payments that people send to my old account, i.e. salary, pension or benefit payments?

The Current Account Switch Service will redirect payments to your new account. Each time an electronic payment is redirected an automatic message is sent back to the originator advising them of the new account details so they can update their records. Some organisations may contact you directly to confirm your details have changed.

4. What happens if there is a mistake or unnecessary delay in the current account switching process?

The Current Account Switch Service is backed by the Current Account Switch Guarantee. This guarantees that any charges or interest incurred on your old or new account, as a result of a failure in the switching process will be refunded when you bring this to your new bank or building society's attention.

5. Will switching my current account affect my credit rating?

Simply switching from one bank to another using the Current Account Switch Service will not affect your credit rating. However, when you open a new bank account, your new provider may run a credit score check which could affect your credit rating. In the unlikely event that during the switch you encounter any problems with payments (such as a standing order), your new bank or building society will correct them and ensure your credit rating is not affected.

6. Can I switch my current account if I am overdrawn?

Yes, and your new bank or building society may be able to provide facilities to help you pay off any overdraft, subject to their normal lending criteria. If this isn't the case you must make separate arrangements to repay your Old Bank or building society what you owe.

7. What if I change my mind?

You can cancel your switch up to seven working days before your switch date. If you do want to cancel, speak to your new bank, who can guide you through this process.

8. When will the money in my old account be transferred to my new account?

You will be able to access the funds in your old account up to and until your switch date when they will be transferred to your new account.

9. Do all Banks and Building Societies offer the same Current Account Switch Service?

High Street banks and building societies and Internet and Telephone banks that display the 'Current Account Switch Guarantee' Trustmark will offer the Current Account Switch Service. You can find a list of participating organisations at www.currentaccountswitch.co.uk

10. What type of accounts can I switch using the Current Account Switch Service?

The Current Account Switch Service is for current accounts only. This includes personal, small business and charity current accounts.

Small business accounts are those with an annual turnover that does not exceed £6.5 million and employs fewer than 50 people. Small charities have an annual income of less than £6.5 million and employs fewer than 50 people. Small trusts with a net asset value of less than £6.5 million with fewer than 50 employees.

If you are still unsure if you qualify then please ask your new bank or building society to confirm.

If you would like to switch other account types, such as a savings account, you will need to ask your new bank or building society if they are able to help you do this.

11. What happens to any debit card transactions that I have asked my old bank to stop?

The Current Account Switch Service should not interfere with this process and any debit card transactions that you have asked your bank to stop should remain so after your switch.

12. Can I prevent my new account details being given to someone who sends one-off payments to my old account?

You may be able to transfer your payments to your new bank without redirecting payments from your old account, and you should discuss this requirement with your new bank.

13. What should I take with me to my new bank or building society?

The requirements for opening an account will vary between individual banks and building societies, so please ask them to confirm what they will need from you. However, in order to ensure your switch is successful, it is advisable that as a minimum you should take a recent bank statement and your debit card so your new bank or building society can identify you and link you to your old account.

14. Does the Current Account Switch Service cover joint accounts?

Yes, the Current Account Switch Service does cover joint accounts, but both named parties on the account will need to complete the relevant forms. Please note it is not possible to use the Service to switch a joint account to a sole account.

15. My new bank says I need to update my details with my old bank. Do I? Why?

If the details you provide to your new bank do not match the details held by your old bank then you may be asked to contact your old bank to update the details they hold about you. Examples include if you have got married and not changed your maiden name to your married name or if you have moved house and not told your old bank your new address. When you are updating your details at your old bank you do not have to tell them that you will be switching to a new bank.

16. Do you have to close your old account as part of the Current Account Switch Service?

Yes. Closure of the old account is part of the Current Account Switch Service process. This allows any payments made to your old account to be automatically redirected to your new account. You can switch and keep the old account open if you want to, but you won't be able to use the Current Account Switch Service – so you won't get any of the benefits detailed in the Current Account Switch Guarantee.

17. What should I do if my bank doesn't meet the seven working day guarantee? Will I get any compensation?

If anything goes wrong with your switch then your new bank will refund you any interest (paid or lost) and charges made on either the old account or the new account. Whether you receive compensation above and beyond this is a customer-service issue for your particular bank to decide on.

18. Are account opening and account switching all part of the same process?

Account opening and account switching are separate processes. Your new bank or building society has to carry out 'know your customer' security checks as part of their account opening process. Once these are complete to the satisfaction of the new bank or building society, you can choose and agree your switch date.

19. If the switch is delayed for any reason, can I use my new account straight away?

Yes, if the new account is open and you have money in it (or an overdraft agreed) then you can use it.

20. What will happen to my Paym registration when I switch?

On your switch date your old bank or building society will de-register your mobile phone number from Paym. If your new bank or building society offers Paym then you can re-register your mobile number with them. You can do this on or after your switch date, or earlier if you de-register your mobile number at your old bank or building society yourself.
